

The RILI Purpose

To provide a program for Rotarians that identifies leadership skills that enhance your potential to lead in order to achieve a purpose or goal whether that be in your community, family, business or Rotary.

RILI Testimonials

"My RILI experience caused me to toss aside some traditional wisdom. That allowed me to step out of my comfort zone to immediately trust the competency of other team members I didn't know, so that the team could succeed. And we did."

Tom Ryan
District Governor 2005-2006
Rotary International-District 5810

"For over 15 years I have been a Leadership Trainer, yet RILI showed me even greater dimensions into leadership! Because of the RILI Program, I gained more insight into what leadership can do to transform individuals into better

leaders....and that is what we need in the second century of Rotary, in our personal life, and in our world! RILI made a difference in the way I see leadership!
